

What's up, friends!

Tolly is here to PLAY. Aw yeah! Let's go. Should we start with a dance party? I think YES! It's time to get our groove on. Play your favorite song and dance your heart OUT.

Let's see. I'm going to put on CAN'T STOP THE FEELING by Justin Timberlake.

LET'S DANCE!

That was so much fun. Quick question: what is your favorite vegetable?

Mine is a pumpkin. Pumpkins are so cool. You can eat them. You can carve them. You can light them up. In honor of my favorite vegetable I am going to make a pumpkin out of clay. Would you like to join me?

All you need is some clay and/or play dough and then we can get to sculpting out our favorite vegetable.

When you are done send me a picture of your creation. I would love to see it.

Keep it ORANGE!

Tolly
